

Cautionary Tales from Communities Impacted by Fracking

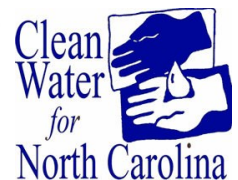

March 25, 2014, 7 - 9 PM
Congregational Church of Pinehurst, UCC
895 Linden Rd., Pinehurst

Join us for this special tour to learn from leaders & community members from across the country who have been impacted by shale gas development. Learn what you can do to protect your community!

the Community United
Church of Christ

Speakers:

- **Karen Feridun**, a grassroots activist from Kutztown, PA, who has successfully helped fight against gas development in her community.
- **Jill Wiener**, a small business owner turned activist from New York who has been leading the charge to keep fracking out of NY.
- **Robert Nehman**, a father from Iowa whose life was turned upside down after frac sand mining came to his town.
